

Currently Working On:

- US Dept. of Education, Education Innovation and Research Program – Early-Phase Grant; requesting \$4,000.000. 10% match required. Five year grant. Funds will be used for teacher professional development opportunities in STEM and deeper learning components, developing a STEM Lab and Innovation Academy at the Learning Center and micro labs at each school. EIR is a research-based grant and includes a significant evaluation process of the work undertaken by the grant.

Submitted Grants:

- US Dept. of Education, Jacob K. Javits Gifted and Talented Students Education Program; Requested \$730,000 over 5 years to assist schools in the identification of, and provision of services to gifted and talented students who may not be identified and served through traditional assessment methods. No match required.
- Kentucky PEEP (Project Early Entry Plan) Grant; Requested \$25,000. The program is designed "to encourage and support innovative efforts by schools & districts to improve the pipeline of teaching and learning career pathway participants by providing access to introductory opportunities into the teaching profession for students; designed to help begin programs to inspire students to consider a career in teaching."
- US Dept. of Justice, Bureau of Justice Assistance, STOP School Violence Program Grant; requesting \$1,000.000. No match required. The program is designed to improve K-12 school security by providing students and teachers with tools needed to recognize, respond quickly to, and help prevent acts of violence and ensure a positive school climate.

Recently Awarded Grants:

- United Way of Southern Kentucky. Received \$8,250 for a week-long pre-kindergarten summer camp called "Jump Start Kindergarten" for up to 100 pre-K children. District will provide meals and snack through school meal program. No match required.
