

Counselor's Corner

July 2022

Ms. Jennifer Weber

- **Professional Learning/PBIS:** Ms. Weber is collaborating with Mrs. Rubemeyer this summer to create a Southgate behavior rewards store for our students. The store is currently in the early planning stages, and we are brainstorming methods for students to earn points to “purchase” items from the store. We are also gathering donation options to help stock the store with prizes that students of all ages will enjoy.
- **PBIS Rewards App:** Ms. Weber and Mrs. Rubemeyer have explored an online demo of the PBIS Rewards App which would allow staff members to easily reward points, track student behavior progress schoolwide, and then convert points into currency for the PBIS store. We are hoping to purchase the Rewards App for our staff to pilot in the coming school year to provide additional incentives for positive behavior.
