MAINSPRING
WELLNESS & COUNSELING

Mainspring Wellness & Counseling and Covington Independent Public Schools
Mental Health Services Contract.

This contract contains any and all agreements by and between Covington Independent Public Schools and Mainspring Wellness & Counseling (MWC) for the 2022-2023 school year.

Mainspring Wellness & Counseling agrees:

1. To provide therapy and targeted case management services to the students enrolled at Latonia Elementary School.
2. To ensure all service providers are licensed, certified, or registered in the State in which the services are performed ensure all service providers pass a local/national background check prior to working in schools.
3. To maintain confidential therapeutic records and will report client visits and other interventions on an ongoing basis to appropriate school personnel.
4. To provide a licensed mental health therapist to engage in mental health therapy services for a minimum of three (3) school days per week when school is open and in session.
5. To provide a Targeted Case Manager (TCM) to provide family support, connect clients with community resources, and consult with school personnel for up to twenty-five (25) students at a given time.

Covington Independent School District agrees:

1. To provide a suitable work area at Latonia Elementary School to administer therapy and case management services.
2. To ensure communication and collaboration with MWC staff regarding all relevant information related to the treatment of LES students.
3. To provide an ongoing list of qualified referrals such that the MWC therapist maintains a minimum of five (5) billable hours of service per day.
4. It will not solicit employment of, nor hire, any MWC staff involved in delivering school-based services in their district for a period of one year after services provided as MWC representative.
5. To compensate MWC a total of $30,000 for the 2022-2023 school year.
    a. $15,000 - Licensed Therapist at LES for three (3) school days weekly.
    b. $15,000 - TCM services for up to twenty-five (25) students at a given time.

MWC understands compensation for the 2022-2023 school year will be paid through grant funds. MWC services will be sustained through third party payers if services extend beyond the 2022-2023 school year.
