

**The Hopkins County Board of Education is soliciting one-page letters of interest from qualified architectural firms for design services and construction monitoring for an addition/renovation at Southside Elementary School. The vision of the project is to add onto the existing 550 student capacity SES to also accommodate all students from South Hopkins Middle School. The result would be a re-branding of the facility as a preschool-8<sup>th</sup> grade center.**

**Interested firms may email a one-page letter of interest to Marty Cline, Assistant Superintendent, [marty.cline@hopkins.kyschools.us](mailto:marty.cline@hopkins.kyschools.us)**

**Letters must be received by August 3, 2022 at 9 am. Letters received after this date & time will not be considered.**

**If you have any questions, please contact Assistant Superintendent Marty Cline at the email address above.**
