Tuition

FEE TO BE CHARGED

According to a schedule recommended by the Superintendent and adopted annually by the Board, the District ~~may~~**shall** charge a fee for each student attending its schools whose parent or guardian is not a legal resident of the District or a full-time employee.¹

Non-resident students enrolling in the District's schools ~~who do not have a contract signed by the district of residence releasing A.D.A.~~ shall be charged a tuition fee equal to current, per pupil operating expenses based on the most recent State calculations for the District plus the current per pupil amount spent from local funds.

~~Non-resident students enrolling in the District's schools who have a contract signed by the district of residence releasing A.D.A. shall be charged a tuition fee equal to the current amount per student spent from local funds.~~

CLASS SIZE

Tuition students will be accepted only when class loads are below the allowable maximum. Admission will be reviewed annually to determine if class sizes remain small enough to accommodate tuition students.

CHILDREN OF EMPLOYEES

With the exception of employees who live out-of-state, full-time personnel who live outside the District shall have the option of enrolling their children in the District school of employment without a tuition charge, **contingent on the District receiving ADA as provided by law**. Employees who live out- of-state may enroll their children in the District school of employment provided they pay tuition equal to the SEEK allocation.

STUDENTS WITH DISABILITIES

For information concerning nonresident students requiring special educational services, refer to the Board-approved policy and procedures manual for students with disabilities.
