THIS CONTRACT FOR PROCUREMENT OF PROFESSIONAL SERVICES (hereinafter "Contract") is entered into between the JEFFERSON COUNTY BOARD OF EDUCATION (hereinafter "Board"), a political subdivision of the Commonwealth of Kentucky, with its principal place of business at 3332 Newburg Road, Louisville, Kentucky 40218 and The Louisville Orchestra (hereinafter "Contractor"), with its principal place of business at 620 W. Main Street, Louisville, KY 40202.

WITNESSETH:

WHEREAS, the Board desires to procure the particular services of Contractor, which are more fully defined below; and

WHEREAS, Contractor has held itself out to be competent and capable of performing the services contracted for herein;

NOW, THEREFORE, in consideration of the mutual promises and agreements hereinafter set forth, the Board and Contractor (hereinafter "Parties") agree as follows:

ARTICLE I

Entire Agreement; Amendments

This Contract is the entire agreement between the Parties and supersedes any and all agreements, representations and negotiations, either oral or written, between the Parties before the effective date of this Contract. This Contract may not be amended or modified except in writing as provided in Article VIII. This Contract is supplemented by the Board's Procurement Regulations currently in effect (hereinafter "Regulations") that are incorporated by reference into and made a part of this Contract. In the event of a conflict between any provision of this Contract and any provisions of the Regulations, the Regulations shall prevail.

ARTICLE II

Services

Contractor agrees to perform the following services (hereinafter "Services") of a quality and in a manner that is within the highest standards of Contractor's profession or business. The Services are as follows:

The Louisville Orchestra (LO) will provide music education opportunities for JCPS students during the 2022-23 school year. Assuming National, State and/or Board guidelines permit in-person performances, the LO will provide the following in-person MakingMUSIC services beginning approximately September 19, 2022 through April 29, 2023 (exact scheduling for each service to be mutually determined at a later date):

A. In-Person Educational Concert and/or In-School Musician Visits** – The LO will present the MakingMUSIC program for all JCPS 4th and 5th grade students in the form of in-school individual musician presentations or an invitation to one (1) of six (6) educational concert performances in March 2023. Lesson plans and student activities will be provided for each type of service. The traditional 50/50 school split will continue as in years past but is subject to change at any point depending on school/musician

availability, changes to health/safety guidelines, and/or other variables. Schools A-J will receive an individual musician visit; Schools K- Z will be invited to attend a concert and will be provided transportation to/from the concert venue. Buses will be provided by Miller Transportation and costs are included in this service agreement. Dates for each musician visit and the attendance and transportation to a MakingMUSIC concert to be mutually agreed upon by each individual school and the LO staff beginning in fall 2022.

****For in-school presentations, JCPS will define requirements, process and documentation required for LO musician/staff background checks (CAN and criminal) during early summer 2022. This will allow adequate time for approvals and verification at the Board and State level, if necessary.**

Note: If, at any point during the 2022-23 school year, the National, State and/or Board guidelines change and restrict in-person services at schools, the LO is prepared to transition in-school services (in-school musician presentations) to a virtual format via Google Classroom, as needed.

B. LO Online Education Library – All JCPS 4th and 5th grade teachers and music teachers at all levels will be provided continued access to the LO Online Education Library. This website includes video content and related lesson plans and activities. New project-based lessons plans will be developed and added to the site in fall 2022 (see C).

C. Project-based lesson plans (PBL) – The LO will collaborate with JCPS Music teachers and Music Leads to develop new classroom PBL activities for 4th and 5th grade in conjunction with online video resources (e.g. instrument demonstrations, chamber ensemble performances, etc.).

D. Professional Development (PD) – JCPS Music Teachers will be invited to attend two (2) PD sessions that will count toward teachers' required PD hours. PD will be developed as a collaborative effort between LO Staff, JCPS administrators and/or contracted vendor(s). Date/time/format and details of these sessions will be determined at a later date.

OTHER: The following services will be made available to JCPS teachers and music teachers during the 2022-23 school year; however, these will be offered at program cost for schools/teachers to fund privately and/or through grant funding. •In-Person Small Ensemble Performances •Additional in-person or virtual musician classroom visits •Musician Masterclasses for Middle/High School •Discount tickets for Middle/High School students to Coffee Concerts (\$12/student) •Tickets to MakingMUSIC concert (grades 4-5, schools A-J) (\$8/student)

NOTE: For all MakingMUSIC services during the 2022-23 school year, the LO assumes that coordination for school participation will be between LO Education Staff and 4-5th grade team leads and music teachers at each school. However, the LO will request assistance with communication from Principals/Asst. Principals and/or JCPS Music Instructional Lead, Paul Robinson and/or other Music Leads. The LO will limit outreach to individual schools to three (3) attempts in order to secure commitments for their participation in the program.

In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

If the Board fails to give notice to Contractor of the appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

ARTICLE XV Miscellaneous

- B. Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other. Notices shall be effective when received if personally delivered, or three days after mailing if mailed.
- C. If any part of this Contract is held to be void, against public policy or illegal, the balance of this Contract shall continue to be valid and binding.
- D. This Contract shall be governed and construed in accordance with the laws of the Commonwealth of Kentucky.
- E. No delay or omission by either Party in exercising any right under this Contract shall operate as a waiver of that or any other right or prevent a similar subsequent act from constituting a violation of this Contract.
- F. At all times during the term of this Contract, Contractor shall comply with the Family Educational Rights and Privacy Act of 1974. If Contractor has access to student records, Contractor shall limit its employees' access to those records to persons for whom access is essential to perform this Contract.
- G. If this Contract requires Contractor and/or any employees of Contractor access to school grounds on a regularly scheduled and continuing basis for the purpose of providing services directly to a student or students, all individuals performing such services under this Contract are required to submit per KRS 160.380 to a national and state criminal history background check by the Department of Kentucky State Police and the Federal Bureau of Investigation and have a letter, provided by the individual, from the Cabinet for Health and Family Services stating no administrative findings of child abuse or neglect found through a background check of child abuse and neglect records maintained by the Cabinet for Health and Family Services.
