RE: PULASKI COUNTY: Property Acquisition (42.47 Acres +)  
New Burnside ES (DFP Priority 1b.1)  
Rock Hill Drive and C. Vanhook Road  
Somerset, KY 42503

Mr. Dunbar,

I am writing to certify that representatives of the Pulaski County Board of Education have undertaken an extensive search for suitable property to build a new elementary school for the Burnside Community in Pulaski County. Our representatives have reviewed approximately 11 property sites to find property for a school location. These properties fell short in meeting our criteria. The above-mentioned property is by far the best location considering all factors to build a new building. If you have any question please feel free to contact me.

Sincerely,

Patrick Richardson  
Pulaski County Schools  
Superintendent
