Positive Developments and Highlights	Great feedback again from coaches/schools on playing all rounds at UK and bringing all 16 and the blind draw of 1-16.
Championship Update/Review	Internal staff discussion of possibly playing 1st and 2nd rounds the first weekend.
Officials Update/Review	Internal discussion about updating FP officials chart on who comes to state. Now that all 16 are at 1 site, can update the chart to bring less officials, but guarantee more than one game.
Staff and Worker Update	Thanks to all of our workers, officials, volunteers for all of their help over both weekends.
Fiscal and Budget Issues and Review (attendance, etc.)	Great attendance throughout, good championship game attendance.
