Soccer Interpreters Meeting
Assistants Roundtable
NFHS Hall of Fame Press Conference/ Banquet
Legal/Sports Medicine Workshop (Presenter)
Title IX Workshop (Presenter)
Sports Medicine Forum

Takeaways to help Board and Staff It is always interesting to hear other states approaches on issues. Often times, we find similar approaches that are tailored to each state's structure. It is always a learning experience whether we re-inforce our approach, or get an alternative perspective.

General Commentary This is a very useful event where the staff gets the opportunity to network and get good ideas to bring back to the Commonwealth. It can often also be a good validation on the value of what we contribute to education based athletics. I appreciate the opportunity and chance to attend. Thank you.
