New Member Training</p> <ul style="list-style-type: none"> a. As you complete council elections, you will need to consider how each member of the incoming council will be trained. On SBDM Training, KASC offers a variety of training topics you can schedule just for your council or sign up for open sessions available throughout the state. If your district offers training, be sure all the council members have that information. KASC strongly recommends a council doing a training together, when possible, but we understand that isn't always an option. b. Background Checks for Parent Members - KRS 160.380(10) requires SBDM parent members to submit to State and Federal criminal records checks. If a SBDM parent member is re-elected to a consecutive term, then the school district is not required to conduct these criminal records checks again. However, if there is a "break in service" and the SBDM parent member is elected later, but not consecutive to an initial term, then the school district should conduct a new State and Federal criminal records check.
