RE: Henderson County Salary Schedule Amendment Request

Please consider this request to amend the 2022-23 Henderson County Schools Salary Schedule with the following:

- Add a \$20/day stipend for Henderson County bus drivers who are driving double or triple routes during the 2022-23 school year.
  - Rationale: Currently we have sixteen bus drivers who will be driving double or triple routes in order to accommodate the open driver positions that still exist. We are diligently working to recruit more drivers to our staff. Our goal is to dissolve this stipend before the end of the school year and have a fully staffed Transportation Department.

Thank you for your consideration of this request.
