SEEK is Kentucky's main funding formula for P-12 public education, combining state and local dollars. This overview shows inflation-adjusted figures in 2022 dollars, showing how buying power has changed in recent years. The Council for Better Education offers versions of this report for each district and for the state as a whole at www.kycbe.com. Versions without the inflation adjustment are also available. These reports reflect data from education.ky.gov and inflation rates from www.bls.gov/data/inflation_calculator.htm.
