Consent Agenda Item (Action Item): Approve/Consider abolishing one (1) Digital Learning Coach Position and adding extended days to the remaining positions.

Applicable State or Regulations: KRS 162.90 Powers and duties of the local board.

Fiscal/Budgetary Impact: Savings from salary and adding extended days will be approximately \$60,700.00

History/Background: The role of the Digital Learning Coach is to support teachers in the utilization of technology for learning. As all teachers have been teaching virtually, the demand for direct support is not as great as it once was. The individual(s) in this role frequently work evenings and non-school days to attend meetings to review student data as well as to provide staff training and technical support. This position does not have extra service and the current contract length is not sufficient to complete the work.

Recommended Action: Approve/Consider abolishing one (1) position and adding extended days to the positions.
