

BMS/BHS Monthly Board Report
August 2022
Tiffany Hicks

THANK YOU, BOE MEMBERS!

- Thank you for attending and participating in our block party activities! It was a huge hit! We got great reviews and feedback from students, families, teachers, and other stakeholders! Your support is always greatly appreciated.

FIRST DAY OF SCHOOL

- We had an amazing first day of school! It was smooth and all of the students were in the building by 7:55 ready to rock and roll!
- I visited all the classrooms during the 1st and 2nd bell. Students were engaged in discourse, learning about their new teachers, and excited to be in school! It was a vibe that is hard to describe, but it's amazing.
- A special thank you to our custodians and the cafeteria staff. They always go above and beyond!

INSTRUCTION

- I am THRILLED to announce that we have Andi Henry and Susan Means (from GES) joining us during the 1st bell for PE/Health and STEM!

NUE VUE

- We have 15 students who are virtual / hybrid. These classes officially start on Thursday, August 18.
- Ms. Brun is sending a letter home to all students with the details to join their Google Classroom.

BLOCK PARTY

- As mentioned before, the block party was a HUGE success! It felt like a record turnout!
- I will update you on final numbers when we've collected all of the sign in sheets.
- Thank you, BOE members, for your hard work on the grill!

BUILDING

- The bathrooms were all functioning today! We also had working air conditioning in all but 3 rooms today and that is being rectified ASAP.

NEW HIRES

- Please welcome the following new folks to our Tiger Family! I am going to list them all just so I know I've mentioned everyone.
 - Coach Dave Brausch (Math) - 40 years in teaching / 20 years as head football coach
 - Aaron Sary (English) - 1st year teaching

- Heather Foster (Art) - 1st year teaching (but has college level experience)
- Emma Von Lehman (MS Science) - 1st year teaching
- Danielle Carr (FRYSC) - 1st year
- Kenton Stoppelwerth (HS SS) - 1st year
