Board Report

Custodial

- Purchased new vacuums for LES.
- New entry rugs and floor mats have been purchased for both schools.
- One custodian on leave and should return in October

Maintenance

- Kitchen and Bathroom Renovations were completed on time. We have not completed the final punch list. We still need to trouble shoot some minor problems.
- Davis Field had a power outage. We had to replace the Amplifier and also replace a fuse that was blown.
- Preschool playground turned out great. We also added wood chip mulch to the bottom playground.
- Working with Energy Optimizers on the solar panels and lights throughout the buildings.

Property Acquisition

- Completion of site survey of 320 Clay St. should be completed next week.
- Environmental Studies for 306 Clay St. and 320 Clay St. came back positive. We received approval from KDE.

School Safety

- Todd Brendel was hired as the District SRO. We are working with Chief Halfhill to find a 2nd SRO.
- SRO Brendel is reviewing all safety plans and getting up to date with our facilities and safety protocols.

Transportation

- We have increased transportation responsibilities. We are now transporting to NKU and 2 trips a day to Gateway. We are also transporting to The Point 5 days a week.
- Reviewing expenses and began discussions on hiring another bus driver.

Student Attendance/DPP

- Current Enrollment is 781 – 405 at LES and 376 at DHS.
