**Proposal Submitted: June 2022**

# Front Office – replaces MP3055 (C84195682)

## Quality you can count on

Ricoh's GreenLine Remanufactured Program is based on strict qualification guidelines and comprehensive product inspections that have been developed by Ricoh to give our customers the chance to purchase top-quality products at competitive prices, with complete confidence.

## Good for your wallet, good for the planet

Industries continue to be challenged by a tough economic climate and companies have been forced to seek cost-cutting methods that will positively impact the bottom line — but not impede employee productivity.

## Real sustainability, real reliability, real results

With rigorous remanufacturing standards and a proven process in place, Ricoh GreenLine Series equipment is designed to perform like new, and is serviced only by certified Ricoh technicians. ISO 9001, ISO 14001, and UL Remanufactured certifications provide peace of mind that your purchase is ready to perform.

## MP C4504 Highlights

- Fast output speed of 45 pages per minute
- 100-Sheet Single Pass Document Feeder
- 2,300 sheet standard paper capacity including 100-Sheet Bypass Tray supporting up to 80 lb. Bond paper weight and 12" x 18".
- External Finisher w/staple & hole punch
- PostScript & Power Filter

## Work Room – replaces Pro8100 (C84183083) & MP7502 (C84180096)

### Quality you can count on

Ricoh's GreenLine Remanufactured Program is based on strict qualification guidelines and comprehensive product inspections that have been developed by Ricoh to give our customers the chance to purchase top-quality products at competitive prices, with complete confidence.

### Good for your wallet, good for the planet

Industries continue to be challenged by a tough economic climate and companies have been forced to seek cost-cutting methods that will positively impact the bottom line — but not impede employee productivity.

### Real sustainability, real reliability, real results

With rigorous remanufacturing standards and a proven process in place, Ricoh GreenLine Series equipment is designed to perform like new, and is serviced only by certified Ricoh technicians. ISO 9001, ISO 14001, and UL Remanufactured certifications provide peace of mind that your purchase is ready to perform.

### MP 7503SP Highlights

- Fast output speed of 75 pages per minute
- 1200x1200 dpi max print resolution
- Paper capacity up to 4,300 pages
- 10.1" Smart Operation Panel
- External Finisher w/staple & hole punch
- Standard 200 sheet one-pass color duplex document feeder
- PostScript & Power Filter
