Muslim Student Association (MSA) - Eric Cecil Sponsor -

The MSA (Muslim Student Association) is a service driven club. Our goal is to help our community in any way that we can. Of course, similar to FCS, the club isn't exclusive to only Muslim students at EHS, anyone can join! In fact we encourage non-Muslim students to join to learn more about other cultures. We plan to have one big service project every year. This year's project will hopefully be a hygiene product drive if everything goes according to plan. We meet infrequently -only once a month- in the library before school starts.
