My Project

We have 120 preschoolers at our rural Title 1 school in Kentucky. All of our preschoolers use the same playground and we desperately need some toys! Ours students love anything with wheels that they can drive, dig and dump so the trucks will be loved by all. The balance boards will be great for encouraging gross motor skills while we are outside. Our students love to play outdoors and any and all help to provide engaging toys for them is very much appreciated. Thank you so much for your consideration!

Mrs. Spears will only receive her materials if this project is fully funded by

December 29

Where Your Donation Goes
