Brittiany Watts – Lancaster Elementary

Brittiany Watts is such a bright light to her students. Students in her kindergarten class look forward to going to school every day because of her. She communicates with parents/ guardians almost daily. She always has a positive and upbeat attitude and best of all she connects with her students! We all know how special and important it is for a teacher to connect and inspire a child. We are so thankful for what she brings to LES students and parents specifically and Garrard County in general. Thank you for making a difference in the lives of this young students.
