

**Board Agenda Surplus Spare Buses**

The following buses are on our active bus inventory and it is not financially feasible to continue for usage as a spare bus. Therefore, I am requesting the following buses to be declared as surplus and to be used as parts buses, then sold after all usable parts are harvested.

The following buses have fulfilled their use as spare buses for Allen County Transportation fleet. Please declare the following buses as surplus to be used as parts buses, then sold after all usable parts are harvested.

Old vehicles to surplus

This is a white 4-door Ford Crown Vic. Car. At one time it was the driver's education car, then used by the job transition coach to transport students. This vehicle has many mechanical issues; such as a weak transmission, engine runs poorly and it will need more money spent to repair than it is worth. Please consider surplus this vehicle for sale
