

**Executive Summary  
Fayette County Public Schools Board Meeting  
Agenda Item**

**MEETING:** Regular **DATE:** September 26, 2022

**TOPIC:** Approval of Third-Party Special Inspection Agreement for the Construction of New Middle School at Polo Club BG 21-176

**PREPARED BY:** Myron Thompson, Chief Operating Officer @ 381-4165

**Recommended Action on:** 9/26/2022  
Consent Item

**Superintendent Prior Approval:** No

**Recommendation/Motion:** Authorize the Superintendent to execute a contract with L.E. Gregg Associates in the amount of \$84,867.00 (Eight-four Thousand, Eight Hundred Sixty-seven Dollars) to perform the third-party special inspections outlined below, subject to review/approval of the FCPS General Counsel.

**Background/Rationale:** The International Building Code as adopted by Kentucky requires the Owner of construction/renovation projects to contract directly with a qualified engineering firm that can act as a third-party Special Inspection Agent for the duration of a renovation/construction project. Previous editions of the code allowed the special inspector to be hired by the contractor. The current series of FCPS projects and all future projects will be required to have special inspectors hired directly by FCPS.

Several sections of the Kentucky Building Code require the special inspection of structural materials and their installation (i.e., concrete footings, bolted steel connections, masonry materials) prior to the work progressing to the next phase. This is meant to be a safeguard to Owner, the building occupants and the general public, and will help eliminate construction defects before structural components are concealed by finish materials.

Request for Proposal #30-21 was solicited on September 27, 2021, and five (5) proposals were received from qualified engineering firms to serve as the Special Inspection Agent. L.E. Gregg Associates has agreed to honor their initial proposal for this project. The special inspector must be available as soon as the contractor begins foundation work and whenever inspection activities are required by the code throughout the life of the project. Based on the design team's analysis of the proposals received, L.E. Gregg Associates appears to have met all of the project scope of work criteria and has submitted an acceptable and cost-efficient proposal. The total anticipated value of the services (\$84,867.00) needed for the project requires the approval of the Board.

<b>Contractor</b>	<b>Proposal Amount</b>
L.E. Gregg Associates	\$84,867.00
Geotechnology, LLC	\$99,000.00
Solid Ground Consulting Engineers, PLLC	\$132,000.00
S&ME, Inc.	\$180,000.00
Terracon	\$185,000.00

**Strategic Priority:**

- Student Achievement     Diversity, Equity, Inclusion & Belonging
- Highly Effective & Culturally Responsive Workforce
- Stakeholder Engagement & Outreach     Organizational Health & Efficiency

**Data Considerations:** District Facility Plan

**Policy:**            **01.11 – Powers and Duties of the Board**

**Fiscal Impact:**
