**PREPARED BY:** Sherri Heise

**Recommended Action on:** 9/26/2022

Action Item for Vote (REGULAR MEETING)

**Superintendent Prior Approval:** No

**Recommendation/Motion:** A motion to approve the Amplify Science quote to supply schools with increase student enrollment and staffing with the district adopted curriculum resource.

**Background/Rationale:** Amplify Science was approved by the FCPS Board of Education as the primary anchor curricular resource for kindergarten through 8<sup>th</sup> Science in Fayette County Public Schools. An assurance was given to those schools whose SBDM Councils elected to implement the program that the district would sustain the access if increases in staffing and enrollment occurred. Based on our system of inventory and distribution, we need additional kits as outlined in this quote is to ensure all schools have access.

**Strategic Priority:**

- ☒ Student Achievement    ☐ Diversity, Equity, Inclusion & Belonging  
☒ Highly Effective & Culturally Responsive Workforce  
☐ Stakeholder Engagement & Outreach    ☐ Organizational Health & Efficiency

**Data Considerations:** Data analysis through the common unit assessment data will provide information on the effectiveness of this resource. Current data since the inception of using this platform shows consistent and sustained growth across the board by those schools using the resource with fidelity.

**Policy:** 01.11 – Purchases > \$30,000 Must be approved by The Board

**Fiscal Impact:** \$40,258.40
