

Science and Ecology Overnight Out of State Trip Proposal

Transportation requested is charter bus from Gold Shield Limousine Company. The cost of the bus (a little over \$14,000) will be raised through our fundraisers. We continued our fundraising (t-shirts) through the Covid years as we didn't want to lose our established customer (Jodie Brandenburg, former owner of Brandenburg general store). Through that effort, we raised close to \$10,000. While she is no longer purchasing shirts from us, we are confident that with our other fundraising efforts we can raise the additional cost of the bus. Any overage we will use to lower the student cost.

Sunday, April 16	Travel to Florida
Monday, April 17	Disney's Magic Kingdom. Includes YES program (physics of roller coasters) and 2 Meal passes
