Consent Agenda Item (Action Item): Consider and approve an agreement between the Floyd County Board of Education and McGraw Hill to provide High-Quality Instructional Resources for ELA instruction for all Floyd County students grades k-12.

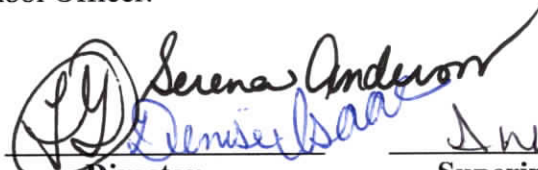

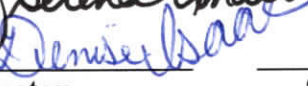

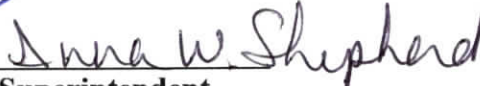

Applicable State or Regulations: Board policy states that only the board of education may enter into contracts or agreements.

Fiscal/Budgetary Impact: The cost of the K-5 ELA resource Wonders is \$505,429.81. In addition, the cost for the 6-12 Study Sync Student Materials and Teacher Manuals is \$335,631.07 making the total cost \$841,060.88. With the discount for purchasing together, we will save an estimated \$400,069.47.

History/Background: The Floyd County School District is working to provide high-quality curriculum and instructional ELA resources for all Floyd County students K-12. The district is beginning this process with the purchase of "High Quality" instructional resources. To ensure that the best quality resources were selected, a review week was held in the month of June that allowed central office staff, principals, parents and community stakeholders to all have a voice in the selection process. The Kentucky Department of Education evaluation rubric for highly qualified ELA resources selection was utilized to review resources for all grade levels. A survey link provided by the district for reviewers to leave feedback and to cast their vote for what they felt was the best fit for the district. After evaluating all feedback and votes cast, McGraw Hill's resources, Wonders for K-5, and Study Sync for grades 6-12, were the top choices. Other validation sources were also referenced such as Ed Reports where McGraw Hill resources received a green (Highest Possible) ranking.

Recommended Action: Approve the agreement between The Floyd County Board of Education and McGraw Hill.
