Sports Report	
Sport	Fall Football
Positive Developments and Highlights	Season has started with minimal incident and first season in last couple without COVID standings alterations. Participation and attendance seem to be much stronger
Issues of Concern (legal, playing Rules, fiscal management, etc.)	Too many schools despite years of notice dealing with a rule that is more than 10 years old, want to use non-white jerseys or not comply with jersey color restrictions. Nearly every week there is an issue. Visitors required by rule to wear white, home color must be dark enough (70% color tone) to be clearly contrasting to white. No opportunity for light yellow or light grey within the playing rules. Sales reps claim they simply respond to coach's wishes and are not concerned about rules compliance
Championship Update/Review	On schedule for December with playoffs on schedule. Only logistic change will be to have 5A and 6A swap starting times on Saturday. Order to be 1,2,4, 3, 6, 5
Officials Update/Review	Football is down about 3% in officials and many schools are moving to Thursdays to help with local pool of officials. Some of this is assigner driven, some is school choice driven.
Staff and Worker Update	None
Fiscal and Budget Issues and Review (attendance, etc.)	None. Prices for tickets will remain unchanged.
Noteworthy Changes / Anticipates Changes	Most questions surround realignment which is solely dependent upon enrollment numbers
