

**IN RE:** Proposal for SGA: "Chalk Your Spot"

**When:** Week of Homecoming (9/26-9/30)

**Proposal Authors:** Sarah Beth Meador, Cole Meador, Mattilyn Brown, Emily Coulter, and Blayne Wheeler (Senior Class Student Council/SGA officers)

**"Chalk Your Spot"**

A fundraiser made by ASCHS Student Government Association where Juniors and Seniors can pay \$5 to decorate their parking spots **with chalk** for homecoming week, and underclassman can decorate any unclaimed/staff designated spots.

A Google Form will be made and sent out to each class's Google Classroom. This Form will ask the students name, their parking spot that has been designated for them already from parking passes, and to submit either an image or description of what they plan to do so that it can be approved by administration. Underclassmen or those who do not drive, can request to decorate a parking spot that has not been claimed with parking passes, or a staff designated parking spot. People can choose to decorate alone or in groups, and if interested clubs can opt for an unclaimed parking spot. (Each group will have a single spot to decorate, and then their spots if not being decorated can be picked up by underclassmen or clubs. They will put this information in the Google Doc.)

Students must have the Form completed and their money submitted by September 26th, then on September 27th they can begin decorating their spots after school. When they are finished, there will be another google form sent out friday morning where they can submit a picture of themselves with their spot for voting. The result for the categories will be announced and prizes given out at the pep rally friday (September 30th). (The spots must be done by Friday morning or Thursday evening.)

The spots can be anything school appropriate, and that administration has PRE-approved.
