

Quote for
Gallatin County Schools

Dear Tony,

As the industry continues to evolve, we want to ensure your district has the reliable, cloud-based solutions and consultative support you need to focus on what's important – ensuring students are healthy, safe and ready to learn.

By partnering with LINQ, you have the opportunity to work with a team of industry veterans and former school administrators who are committed to supporting you every step of the way. You will gain exclusive access to the industry's only full suite of integrated solutions that help improve your operational efficiency, optimize financial performance, and increase participation from students to states across nutrition, digital, and finance.

In addition to the industry's most innovative and time-saving tools, LINQ's dedicated team is committed to providing you with the peace of mind your digital program needs to succeed.

With your support, we truly can be stronger together.

Sincerely,
Tim Clifford

Supercharge community engagement with a unified message across your mobile app via push notifications, your website and on social media.

My Alerts

Push notifications allow for instant one-way communication about news, announcements, weather closings and more. Alerts can easily be sent in real-time or scheduled for later from any phone, tablet or computer. Notifications can be sent to everyone with the app or targeted to specific roles or custom groups such as classes, entire grades, clubs, athletic teams and more.

Teacher Notifications

Approved teachers and staff can easily, quickly and safely connect with students and parents with the simplicity and efficiency of text messages and the security of one-way messaging. Teacher notifications are a great way for teachers to communicate homework, project or test reminders, plan changes and more all with proper administrative oversight and reporting capabilities to keep your students and staff safe in today's connected world.

eSVShare! by eSchoolView

Premium

Connecting with your school community has never been easier than with eSVShare by eSchoolView which allows you to easily share content, images and video across all of your school or district's communication channels including your app by eSchoolView, social media, website, voice dial, text and email.

Your mobile app can do more for students.

NEW! Daily Messages

Daily Messages display on the home screen throughout the day and are great for indicating Block Schedule (A/B) Days, Early Release Days or any Daily Announcements.

Hall Pass

Bring out-of-class accountability into the 21st century by allowing teachers to issue and manage hall passes with a few clicks on a student's device.

NEW! Hall Passes can be issued remotely from any device!

My ID

Anywhere their phone or tablet goes, your students' digital Student ID will go with them with all of the necessary information and barcode for most library and cafeteria systems.

My Assignments

Your students' digital assignment notebook easily allows students to keep up with class notes, due dates and set automatic reminder alerts to keep up with their classes, tests, projects and homework.
