Action/Discussion Item: Approve items from the schools to donate to districts that were flooded and in need of help.

Applicable Statute or Regulation: Board Policy 01.11 General Powers and Duties of the Board.

Fiscal/Budgetary Impact: None

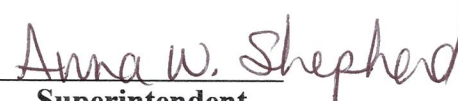

History/Background: Due to extensive flooding in our area, many of our surrounding districts were in need of any school items they could use to get their schools back in session. Since we recently purchased new desks and other furniture, we had a surplus of older items that could be donated. We polled the schools to see what items they may have that were ready for surplus and attached it to this list.

Recommended Action:
Approve as presented
