

## **Alexandria Carroll- National Beta Competition Placement**

Garrard County Schools would like to congratulate Ms. Alexandria Carroll on her recent State and National Beta awards. Alex placed 1st in both Creative Writing and Poetry at the State Beta Competition, continuing on to place 2nd in Creative Writing and 3rd in Poetry at the National Beta Convention. Alex is Garrard County High School's first student to earn 1st Place at State competition in two categories and GCHS' first national placement in Beta!

Former Beta Club Advisor, Michelle Hoskins says, "Alex is the perfect example of what a Beta member should be. She challenges herself academically, works to help our community, and is a natural leader. She is using her leadership skills this year as our GCHS Beta Club president. We, as a club and community, are so proud of her accomplishments!"

Congratulations Alex!
