### Notice of Material Amendment to Contract

Dear Jennifer,

Since becoming part of the Medical Mutual family in 2018, SDC has been working to align our systems and processes with our parent company. A key part of this integration is the move of our core systems to the Medical Mutual data center. Rest assured, our sales and service teams, dental plans, network, value-added benefits and online resources will continue to remain exactly as they are today.

The integration of our data systems will require important transitions in the administration of your SDC dental plan. These changes will take effect at your plan's renewal on 1/1/2023 and include:

- **New Billing and Payment Terms.** Your SDC renewal is enclosed, and a material amendment to your SDC group contract is printed on the back. This amendment provides details on the payment schedule and terms that are effective for your first payment of the renewed plan. Until renewal, your group should continue to make your SDC monthly premium payments as you do now.
- **New Invoice.** Invoices will have a new format and be sent from Medical Mutual about a month prior to their due date.
- **New ID Cards for Enrolled Employees.** New ID cards will be mailed to enrolled employees from Medical Mutual. The ID card will include a new SDC member ID number, group number, and Member Services telephone number. Enrolled dependents ages 18 and older will receive their own ID card. Until renewal, enrolled employees should continue to use their current ID cards when utilizing their SDC dental benefits for dental services.

Thank you for your patience as we streamline our processes to better serve you. More information about these transitions will be sent to you prior to your renewal date. If you have any questions, please contact us at **AccountServices@SuperiorDental.com** or **(800) 762-3159**.

We look forward to keeping you and your employees smiling for years to come!

Sincerely,

Melissa Smith

## **Amendment to Master Group Contract**

Other than as modified by this Amendment, all terms and conditions of the Group Contract remain in full force and effect.

Please review the below changes to the SDC Master Group Contract terms. These changes will take effect on **1/1/2023**. Auto renewal of your benefit plan indicates acceptance of these changes even if the renewal document is not executed and returned by the effective date.

### **Notice**

All notices or demands under this Contract will be in writing and will be deemed to have been duly given if delivered by hand, confirmed as delivered by electronic methods such as email, or mailed via 1<sup>st</sup> class mail to the most current group address on record.

### **Billing**

Monthly Rates for new and returning employees will be due by the first day of each month for the month of coverage. The Group will be liable to SDC or an agent designated by SDC for the payment of any premium, as well as any fees associated with late payment or insufficient funds. If premium payments are not received within ten (10) days of the Premium Due Date, SDC reserves the right to assess a late fee. If a check written, or electronic payment made, by the Group is returned to SDC by the Group's financial institution for insufficient funds, SDC reserves the right to charge the Group a returned item fee up to the maximum allowed by applicable law.

A period of thirty-one (31) days from the Premium Due Date is allowed for the payment of premiums and required fees, except the initial and renewal premiums. During the thirty-one (31) day period, this Contract will stay in force; however, the payment of claims by SDC may be suspended until all required premiums and fees are received by SDC. In the event all required premium and fee payments are not received by SDC within thirty-one (31) days after the Premium Due Date, this Contract may be terminated by SDC retroactively to the last day of the period for which premiums and any required fees were paid.

Premium Billing Statements are processed no later than seventeen (17) days before the due date. Full payment of the amount indicated on the invoice is expected. Any adjustments, refunds, backbills, etc. will be posted on the next month's Premium Billing Statement following notification to SDC. Subscriber terminations can be made on the Premium Billing Statement, online, or via email with an effective date and reason indicated. SDC will consider up to a maximum of 31 days of adjustment for changes in enrollment.

If Automatic payment of premium is elected, the amount will be deducted from your designated business account by the 5<sup>th</sup> of the month (or the next business day).

The Group or SDC may be subject to taxes, fees or other charges imposed on SDC by state or federal government laws or regulations. To the extent permitted by law, SDC will include such charges, or an estimate of such charges if the actual amount is not known, in the premiums charged to the Group or may show them as a separate line item on the Group's invoice. SDC reserves the right to adjust the premium or monthly billing to the Group during the Contract Period in order to accommodate the payment of such fees, taxes or other charges.

The parties hereto agree and stipulate that the original of the Master Group Contract, including the signature page, may be scanned and stored in a computer database or similar device, and that any printout or other output readable by sight, the reproduction of which reproduces the original of this Contract, may be used for any purpose just as if it were the original, including proof of the content of the original writing.
