Purpose of Fundraising activity:

The company Books are Fun works with the school to earn funds for students. Students and families supply emails similar to a walk-a-thon of people who would like to help the student earn free books. The company uses the email to send information for donating money for books. The company collects the money and sends books to the school for students. Every student is guaranteed one book. More books can be earned based on the funds received. The books are delivered to the school wrapped and given to students to take home for a personal library.

Items to be sold:

No items sold. Emails provided and donations given to books are fun.

Books will be supplied to JGC students K-5

Date scheduled:

October 31 –
