

The 5th grade team of teachers at Morningside are pleased to select Haley Morgan for the EIS Student of the Month. According to her homeroom teacher Amy Key, Haley is an all-round outstanding student. She always gives her best effort and excels in all subjects. She is a natural leader and a friend to everyone. Haley consistently demonstrates a positive attitude and embodies the MES guidelines by being respectful, responsible, cooperative, and being the best possible student. We are very proud of Haley and feel fortunate to have her in our classes.

Haley is the epitome of an all around great student/person. She always strives for excellence in everything she does in and out of the classroom. She is always an active participant in her learning and helps others in the classroom as well. She listens and responds to constructive criticism and learns from it. She is a welcome addition to our group of 5th grade students here at Morningside. I am lucky to have her in the classroom this year as we learn and grow in the area of Math. Congratulations to Haley, she is definitely well deserving of this honor!
