

## Meredith Dyer

### TK Stone October Student of the Month

Meredith Dyer is an excellent student at TK Stone. She is also a star golfer, representing EHS and TKS at the state tournament where she had the lowest score for EHS- a 105. Her personal best is a 92. She started playing golf because her brother is a golfer and she and she loves to be outside.

Meredith is also involved in CKA Allstar Cheer where she participates on the Level 3 team. She is a member of Troop 495 Girl Scouts, loves to play the piano, loves to swim, and is happy to attend St. James Catholic Church with her family.

Meredith says her role model is her mother because she is very hard working and always goes above and beyond helping her and doing things for her.

Meredith loves TK because of all her friends. She is looking forward to attending EHS next year, where she plans to take challenging classes that will prepare her for a future career as a lawyer. She wants to be a lawyer so that she can help others.

Mr. Smith says Meredith is a hard working student that always puts forth her best effort. She is an amazing clarinet player that never lets a challenge get the best of her. Because of her hard work she earned the distinction of making first chair clarinet in the 4th district honor band as a seventh grade student, beating out all of the other middle school students in the surrounding counties. She is very talented and excels in everything she tries due to her hard work and dedication. We are very lucky to have a student like Meredith in our organization.

Mr. Lutz said, I have Meredith for Algebra 1 and she is a great leader in my classroom. She is very respectful to all students and adults at TK Stone. She also works very hard in math and is always willing to go above and beyond to improve her skills. Meredith is an excellent representative of TK Stone and EIS.

Mr. Pearman reports that Meredith is a mature, caring student who places her academics as a priority. She is respectful to both adults and peers. If she continues on this path, she will make a productive citizen in any community. Congratulations, Meredith!
