October 3<sup>rd</sup>, 2022

Dear EIS School Board Members,

Our conference, Hardin County Middle School Athletic Conference (HCMSAC), is adding 6<sup>th</sup> grade boys basketball this year to the schedule. As we continue our pursuit of excellence, TK Stone would like to participate in this endeavor. Currently, 7 other middle schools in the conference will be participating.

I am writing to request an additional Boys Basketball coaching position and stipend for TK Stone. We currently have a coach/stipend for 7<sup>th</sup> and 8<sup>th</sup> grade basketball, but now it will be necessary to have a 6<sup>th</sup> grade coaching position/stipend. We are requesting an additional stipend of \$750 to compensate this coach for his work. Please consider our request as we feel it is necessary to have this position created and to compensate this coach for their time. Thank you for your consideration of this matter.

Sincerely,

Kelly Fisher

Athletic Director, TK Stone Middle School
