

# SUPERINTENDENT MONTHLY UPDATE

## OCTOBER 2022

# Goals

## Standard 2: Instructional Leadership

- Completed Needs Assessment Reviews at all schools. District-level review of Instructional Needs was completed as well.
- November 7 work on Garrard County Learning expectations at all schools - Next Steps following September 19 work
  - Assessments/Exits Slips

## Standard 4: Human Resource Leadership

- Met with WKU - Potential for MOU/MOA for a new Grow-Your-Own teacher program may be available for Board review by November Board Meeting - Includes Dual Credit offerings within the Teacher Rising Pathway

## Standard 5: Managerial Leadership

- The First Bid Opening for Earthwork was completed on October 18
- On-going work with Architect to finalize plans for next round of bids
- Meeting with Baird Financial to review bonding options in the current market
- A significant amount of work with the Board Attorney to resolve challenging issues with personnel.

## Standard 6: Collaborative Leadership

- Wastewater Treatment conversation with Summit Engineering to look at possible long-term solutions to CDR issues
- Working with City of Lancaster on improving safety at school entries on Maple Avenue
