

***Danville Office Equipment/Garrard County Schools Support Staff of  
the Month  
October 2022***

Ms. Tara has been a great addition to our GMS family! She goes above and beyond in her job duties and never complains. She has a great work ethic that is easy to see each and every day. Not only does she take care of our office, but she goes out of her way to take care of our students. We are so thankful to have Ms. Tara at GMS!
