Consent Agenda Item (Action Item): Consider/approve establishing a district standard for the issue of student cards needed to participate in Car Rider Pro and Here Comes the Bus arrival/dismissal processes.

Applicable State or Regulations: KRS 160.160 Powers and duties of the Local Board of Education.

Fiscal/Budgetary Impact: Recommended Standard – each student to be issued one card annually. Guardians could purchase additional or replacement cards for a fee of \$4.00.

History/Background: Car Rider Pro and the Here Comes the Bus systems were purchased to enhance safety and efficiency efforts particularly during evening dismissal. To utilize either program, the student has an identification card which is scanned by the program to relay necessary information. Parent pick up information would be the name of the person on the student's approved list; for Car Rider Pro, the scanned card allows the parent to be alerted in real time to the arrival of the bus to the designated drop off location.

Recommended Action: To approve as presented
