

2021-2022 SCHOOL YEAR

JULY 1, 2021- JUNE 30, 2022

HEALTH *FIRST*™ BLUEGRASS

*Enhancing quality of life through
transformative health care for all*

HEALTH *FIRST*™ BLUEGRASS

www.healthfirstlex.com

Integrated Comprehensive Health Care

HealthFirst Bluegrass is a Federally Qualified Health Center that provides integrated comprehensive health care at 14 sites within the community including inside our schools. Partnering with Fayette County Public Schools, we work together to promote health education, reduce health disparities, and improve academic achievement.

HealthFirst Bluegrass Healthy Kids Clinics provided Primary Care Services to **over 7,000** patients and **over 16,000** visits including COVID-19 visits/testing during the pandemic year.
