Art for All Kentucky

Arts Inclusion Application Guidelines and Checklist

Rolling Deadline

The Arts Inclusion Award Program is Arts for All Kentucky's largest program, serving schools in every Congressional District in the Commonwealth and is designed to help schools provide **experiential learning through the arts for children with and without disabilities in an inclusionary setting**. With Arts Inclusion projects, the student becomes the artist in all areas of the arts including dramatic arts, creative movement/dance, literary arts, music, visual arts, film, photography, etc. Your project may focus on one arts discipline/area or integrate more than one. (*Arts Inclusion funds cannot be used for performances, assemblies, or equipment.*) All artist contact/instruction with students must be hands-on or experiential and interface with classroom curriculum and Academic Standards. A core group of students must receive a minimum of FIVE experiential instructional hours with the teaching artist.

Note: Under federal regulations, these funds may not be used for the purchase of equipment. It is recommended but not mandatory to include other sources of financial support for a proposed project. Teacher salaries may not be used as in-kind or supplemented in the Arts Inclusion Awards program unless contact time is after the conclusion of the school day.

***A core group of students must receive a minimum of five experiential instructional hours with the teaching artist.**

Personnel

Artistic: Payments to artists for fees charged for services that are specifically related to the project. Artists are paid for direct contact hours with students. Up to two hours total of this project can be included for initial observation by the artist of the classroom culture and one hour of face-to-face planning *WITH* teacher(s). No resumes are needed for artists on our Arts for All Kentucky Teaching Roster. Go to: www.artsforallky.org to see approved Roster Artists. If the artist is not a Roster Artist, a resume including educational and artistic background and *instructional experience with children with disabilities is required with application*. A background or police check from the Dept. of Courts is also required for artists not on the approved Artist Roster (*background check must be included with application if not using a Arts for All KY Roster teaching artist*).

Technical/Consultant: Payments to persons for fees specifically identified with the project. This includes technical, lighting, sound, video and film technicians, etc. Arts for All Kentucky funds *may not* be used to pay for this item, however, matching funds from another source may be used.

Materials/Supplies

Include any materials and supplies to be purchased with funds that are specifically related to the project and are "consumables." Examples of materials that can be purchased with Arts for All Kentucky funds are props, costumes, art supplies, etc. (Equipment such as books, cameras, computers, stages, sound systems, musical instruments, etc. **may not** be purchased with these funds.) Also refreshments **may not** be purchased.

Marketing/Promotion

Include all costs for marketing, publicity and promotion specifically identified with the project. Include costs of newspaper, radio, and television advertising, printing and mailing of invitations, brochures, flyers, posters, photography, etc.

Travel

Travel of .50 per mile can be paid to artists traveling beyond 50 miles one way to your site. A *total* per diem of \$100 (motel & food) is allowed for artists who will have to stay overnight because of a very long distance. **It is important to include a breakdown of individual travel expenses on your budget page.** For instance, if the artist travels 350 miles round trip, you would indicate: 350 miles @ .50 per mile= \$175

In-kind

In-kind refers to the value of any service, fee, supplies or other items used for the project that are **donated** to the project. Only items for which no money is paid can be categorized as in-kind. Supplies already on hand at the school qualify for in-kind if they are being used for the project. The use of a performance space when the normal rental fee is not charged to the school can be used as in-kind, as another example.

Cash Match

Money received for the project outside of the Arts for All Kentucky award should be classified as cash match on the first page and the budget page of the application. This might include funds provided by the school, PTA/PTO, individuals, community businesses or agencies. Supplies, fees or services purchased (other than with Arts for All Kentucky funds) should be included in the cash match category. Cash matches are not required.

Final Report

If your school's project is approved for funding, a final report form is required to be filed within 10 days of the completion of your project, so it is necessary to keep all *receipts, invoices, documentation, evaluation instruments and results, and promotional materials* from your project for that report.
