

**Curriculum, Instruction, and Assessment
Board Agenda
Wednesday, November 16, 2022**

PROFESSIONAL DEVELOPMENT

- We completed our Day 3 Professional Learning Day on November 1. LES focused their training on The Simple View of Writing with the Reading League and DHS focused their training on Data Review, PLC update and vocabulary.
- The majority of teachers have completed their required 24 hours of professional learning. I will be working with any teacher that does not have their hours.

CURRICULUM/INSTRUCTION

- Classroom Walkthroughs – we have one more walkthrough at DHS to complete and we will have completed classroom walkthroughs in every classroom in the district for the first semester.
- Teachers are implementing the Amplify Reading Series that we purchased.

ASSESSMENT

- We are getting ready to take the next round of the STAR assessment. That assessment will be taken before we leave for Winter Break.
- Seniors will be taking the KYOTE in December. If students meet the reading and/or math KYOTE benchmark, they will be Post Secondary Ready.

CDIP/CSIP

- We will approve the CDIP and the schools CSIP's at the December meeting.

FEDERAL PROGRAMS

- Our Title I and Title IV applications have been approved by KDE.
