

**Name** Assistant Commissioner Sarah Bridenbaugh

**Topic** Sports Report

**Sports Report**

**Sport** Fall Cross Country

**Positive Developments and Highlights**

For 2022, changes were made to the team check-in and bus parking areas. This change did make parking for all areas smoother upon entry. Parking attendants were able to get buses and fans into the park easier and quicker than the previous 2 years.

Bourbon County Schools and Paris High School did an excellent job of working together to handle parking ingress/egress. We thank them for all of their hard work to help create a great State Championship.

**Officials Update/Review**

The KHSAA, along with the state meet director and assistant director, continue to try to recruit new track & field/cross country officials. There were many new faces at this year's championships. Officials had an amazing example of coming together to support one another as they all dressed alike to support one of their own in the fight against cancer.

**Fiscal and Budget Issues and Review (attendance, etc.)**

The 2022 State Cross Country Championships sold 152 more tickets than in 2021. Class 1A showed the most increase on Saturday morning.
