Re: November 28th Board of Education Meeting Staff Recognition: BC Chamber Award Recipients

Recently, two BCPS staff members were selected as award recipients through the Bullitt County Chamber of Commerce.

The first Chamber Award was the “Excellence in Education Award.” This award is given to an individual whose exemplary qualities benefit students and job related strengths and skills set them apart from their peers. The award was presented to Mr. Kyle Downs, Business Teacher at Bullitt East High School.

The second Chamber Award was the “Innovation Award,” which is designed to recognize organizations for their ability to think outside of the box and pivot in a tough situation. In addition, how they have retooled or refocused in a crisis and their ability to “make lemonade out of lemons.” This award was presented to Danny Clemens, Principal of Special Programs.
