SUBJECT: Additional Staffing hours for the BLIP grant

Dear Althea Hurt,

Mt. Washington Elementary would like to add an additional 2 hours of a certified literacy person using the Bullitt Literacy Intervention Program (BLIP) grant money. We currently have a BLIP person for 4 hours. Adding two more hours will greatly assist our teachers with literacy growth in our students. The money will come from our already allotted amount.

Thank you for your consideration and time,

Julie Shumaker
