Update/Review**

During the 2021-22 season, the Board selected Central HS (Regions 1-4) and Ryle (Regions 5-8) as hosts for the 2022-23 State Wrestling 1st Rounds. Following that decision, Central's then-Athletic Director, Samantha Pitts, asked to be removed as the 2023 host due to facility renovations.

A request was sent to the membership in October for applications to fill the vacancy created by Central's withdrawal. Despite conversations with a handful of schools, Atherton was the only school in regions 1-4 to submit an application to host the event. It is, therefore, my recommendation that Atherton is awarded the 1st Round event for 2023.
