- d. Good News Report Fall iReady is complete for both math and reading. Fall sports have had an increase in numbers of students participating this year. Football has two teams as opposed to one previously. All fall sports seasons are wrapping up except cross country (ending late October, early November). Our girls basketball team is having good success both on and off the court. Many are positive role models for the school. Our 7th and 8th grade students contribute to the high school band who just won 1st in their division and 2nd overall in the competition.
- e. Public Comment None

III. New Business

- a. Personnel Updates All positions are currently filled.
- b. School Improvement & Planning
 - i. [iReady Data for Fall](#) iReady data shows areas for growth and celebration. Reading scores show a summer learning loss across our 7th and 8th grade students (5th grade data not available for comparison of our 6th grade

students). Math shows less numbers of current students in Tier 3 compared to reading which is surprising. The 6th grade students show the least amount of students in both reading and math tier 3 which is encouraging.

c. Committee Reports none
