

Garrard County Schools & Farmers National Bank
Students of the Month
November 2022

CDR – (Nicholas) Cole Johnson – 3rd Grade

Cole Johnson is a third-grade student at CDR. Cole arrives each morning with a positive attitude and a love of learning. During whole group and small group lessons, Cole is willing to share his thinking and to be a fair listener to others who are sharing. No matter which seating group Cole is placed in, he works to be a kind teammate. He really shines at exhibiting our P.A.W.S. expectations, which are: to be Prepared, to have an Awesome Attitude, to Work hard, and to Show respect. Congratulations Cole, on being our Student of the Month at CDR!

LES – (Kaden) K J Garner – 3rd Grade

KJ is the first one in the classroom every morning. He always comes in with a smile and is eager to help and learn. KJ's sense of humor, positive attitude, and willingness to help others makes him well liked by all his classmates. As teachers, we appreciate how respectful, self-motivated, and persistent he is every day. We are so glad that KJ is part of our classroom and school!

PLE – Peyton Robinson – 3rd Grade

Peyton is a great addition to Paint Lick! She is such a hard worker in the classroom. When given a task, she gives it her all. You can always depend on her to be doing what she is supposed to do. She is such a great example for her peers in and out of the classroom because she models what a panther should be! She always has a positive attitude and is respectful to everyone.

GMS – Aiden Jennings – 8th Grade

Aiden's teachers expressed that he is a joy to teach and witness his love of learning each day. He stands out among his peers. He's exceptionally responsible, and conscientious for his age. It is not unusual for his teachers to witness Aiden helping others with learning. He's a gifted learner, top of his class, and willing to challenge himself.

GCHS – Michael Condon III – Senior

Michael is a senior and has been in JROTC for three years. He has earned the Rank of Cadet Lieutenant Colonel. He is active in Beta Club and National Honor Society. He has natural leadership ability and strives to be successful at the next

level. He plans on attending the University of Kentucky to earn a bachelor's degree in mechanical engineering and continuing in the JROTC program. GCHS is so proud of Michael, and we appreciate his service.
