THANK YOU, BOE MEMBERS!

- As always, thank you for your continued support in all of our endeavors!
 - Congratulations to Jenny, Jenn, and Dan on being elected for another term!

INSTRUCTION / PROFESSIONAL DEVELOPMENT

- With only 20 days left in the 1st semester, I am ensuring that teachers are maximizing every minute of every day with every student.
- This past week, 7 of us attended PEBC's Thinking Strategies Institute in Denver, Colorado. It was an incredible week of reflection and growth! Misty, Heather, and I are excited to be leading this work together.
- The Bellevue Classroom Lab Hosts have begun meeting and planning for Internal Labs happening the week of December 5.
 - Our focus this round will be the pillars of Gradual Release of Responsibility in the Workshop Model and Community.
 - Every teacher will participate in a pre-brief, observation, and debrief receiving 3 hours of professional development.
- We are still continuing on our MTSS work during ERDs led by Nic Skaggs, Katie Shroyer, Heather McDougall, and myself.
