elevate verb

el·e·vate | \ 'e-lə-,vāt , -vət \ **verb** **1: to lift up; raise to a higher level 2: to improve intellectually, morally, or culturally 3: to promote or uplift another 4: to raise to a higher cognitive or conceptual level 5: to put in high spirits**

The definition says it all....and at ELEVATE, that's what we are all about: Supporting and uplifting early childhood and elementary educators in their quest to improve instruction for the students they serve.

This conference was designed with the core objective of supporting educators who work selflessly in the classroom each day, giving their all. The ELEVATE team consists of highly experienced and award-winning educators who are currently teaching in the classroom or actively serving in schools.

We SEE you.
We know your struggles.
We APPRECIATE you.

ELEVATE is here to support YOU. Our conferences will provide you with the absolute best professional development sessions offered for Pre-k to 2nd grade educators. Every ELEVATE conference will include multiple sessions on all core academic strands (including reading, writing, math, science, & social studies), as well as administrative, SEL, school culture, classroom management, and culturally responsive teaching workshops.

And what's more important is that our support doesn't stop there! ELEVATE is much more than a conference you attend. After joining us for an in-person professional development experience, you are invited into our ELEVATE community. This is a place where educators across the country digitally come together to provide continued support and encouragement for one another. Think of it as a social-media-based PLC. Post your questions. Request support. Share your challenges. We'll be right there to provide long-term support. We've got you!
