

Early Literacy Screening Assessments

Per [Senate Bill 9 \(2022\)](#), the Read to Succeed Act, by Jan. 1, 2023, each superintendent shall select:

- At least one reliable and valid universal screener for reading administered to all students in grades K-3; and
- At least one reliable and valid reading diagnostic assessment administered as part of a multi-tiered system of supports for students in grades K-3.
- All teachers of students in K-3 shall be trained on any reading diagnostic assessment and universal screener selected by the superintendent prior to administration of the assessment in the 2023-2024 school year.

This is to acknowledge that the Marion County Public School system has chosen Curriculum Associates i-Ready Diagnostic for Reading as our universal screener and reading diagnostic assessment based on the criteria set forth by the Kentucky Department of Education.
