PROFESSIONAL DEVELOPMENT

- The March Professional Learning Day is a “Flex PL Day.” Teachers at DHS are responsible for getting 6 hours on their own or attend the March PL Day.

ASSESSMENT

- LES and HS students are in the process of completing the second round of STAR testing.
- LES students will be completing the second round of AIMSweb testing before break.
- Seniors are taking the KYOTE in December in attempt to become Postsecondary Ready.
- HS students are in the middle of taking their mid-term exams.

CURRICULUM/INSTRUCTION

- The CDIP – Comprehensive District Improvement Plan is up for approval at this month’s board meeting. This document has been created in collaboration with the Comprehensive School Improvement Plans.
- The CSIP GAP objectives also need to be approved by the Board of Education.
- All district walkthroughs have been completed for the first semester. Mr. Brewer, the building principals and I have completed a walkthrough with every grade level and content area. We will complete an additional walkthrough during the second semester.
- Nine LES teachers, along with Mrs. Dragan and me, have completed Instructional Rounds at LES. Two different groups of teachers at LES walked through classrooms with Mrs. Dragan and me to observe Envision Math implementation, Amplify Reading program implementation, the Six Step Lesson Plan, Classroom Management, and Cooperative Learning. Mrs. Dragan and I walked through classrooms and had post observation discussion with these teachers.
